Appendix C Historical Account of Trauma Historically, symptoms of traumatic stress have been recorded in both military and civilian populations ( Lasiuk & Hegadoren, 2006 ). Early accounts described the effect of battle conditions on soldiers; "soldier's heart" and "nostalgia" were the terms for traumatic stress reactions used during ...

Nonfiction is a genre which is entirely based on real facts. It can be full, complete story or just some notes of eyewitness about a concrete action. The historical events, essays on art or literature, life and biography of famous people, reasons and causes of the great accidents are described most often.
